

Mason-Lite 10" B-Vent Series

OUR LIGHTWEIGHT, GAS-BURNING MASONRY FIREPLACES ARE TAKING THE HEARTH INDUSTRY BY STORM.

Complete with realistic logs, a remote control, and safety features, these fireplace systems are attractive on or off and have superior thermal output.

Available in 39", 44", and 49" units, our 10" B-vent systems add value and elegance to a home without the mess and hassle of old-fashioned, wood-burning fireplaces.

MASON-LITE™

by MFI • Masonry Fireplace Industries, LLC

10" B-Vent Gas-Burning Series

Designed for easy, multi-floor installations, our light-weight masonry fireplace systems meet all necessary U.S. building codes for outdoor / indoor construction.

Features and Benefits:

- A fireplace system complete with a set of R.H. Peterson "Real-Fyre" realistic gas logs, designed with rich detail to replicate the natural beauty of wood
- Clean and Environmentally Friendly: Gas-burning fireplaces have lower outputs of carbon monoxide, pollutants, and particulate matter compared to wood-burners
- Convenient, No-Mess Operation: Free from sparks and long-burning embers, no chimney cleaning, no messy ashes or wood chips, no wood storage space needed
- Superior Warmth in Three Sizes: *
 - MGFP39 (39"): 65,000 BTU's (natural gas)
 - MGFP44 (44"): 65,000 BTU's (natural gas)
 - MGFP49 (49"): 80,000 BTU's (natural gas)
 - * Also available for Propane
- Smaller Flue (10" instead of 14") for reduced framing requirements. Architects love it!
- Compliant with ANSI-Z 21.50 gas fireplace standard
- Handheld remote control for turning the gas on or off
- Electronic ignition with battery backup
- Safety shutoff feature for fail-safe operation
- Utilizes industry standard 10" B-Vent chimney
- Optional firebrick colors and patterns for an authentic fireplace look-and-feel
